The screenshot shows the MYPLACE4PARTS website interface. At the top, there's a navigation bar with 'Filter >>' and 'Parts Display'. Below this, a dropdown menu is set to 'Auto/Light-Medium Truck' and another to 'Secondary'. A red arrow points from the 'Secondary' dropdown to the 'Show' button, which is set to 'All Items'. The main content area displays a search result for 'Front Disc Pads'. The item description is 'Per Car Qty:1'. There's an image of the part, a part number '607329 (ATE) Year:19-20', and the brand 'Ate'. The quantity is set to '1'. To the right, there's a 'Qty Info' button, a shopping cart icon, and a location dropdown menu showing '9 IMC' with a checkmark. The interface also includes a 'Labor' column and a 'Filtered:51 Total:51' status.
