True OE Equivalent High Carbon Rotors

Purchase PerfectStop® products through MYPLACE4PARTS and be entered for a chance to win a Powersports Vehicle of Your Choice!

EXACT

PerfectStop High Carbon Rotors provide Quiet, Safe & Smooth braking performance with High Resistances to shudder, Thermal Cracking & Fade. Our **Catalog** will **Guide** you to the **Exact Spec** for your Vehicle!

Made with Armor-Plated™ Anti-Corrosion Coating, Cross-cut™ Surface Finishing, & High Carbon Casting for Optimal Safety & Performance!

FREE Bose Bluetooth Headphone Giveaway! Purchase Delphi Fuel Pumps, BBB Power Steering or Hitachi Engine Management in the month of June to be entered to win!

Delphi Fuel Pumps

THE DELPHI DIFFERENCE

- Anodized aluminum can reduce flow loss by **up to 100%** in severe contamination
- **Over-molded armature** protects pump windings in corrosive environments
- High-capacity synthetic mesh inlet filter can filter out all items **larger than 30 microns**
- Distinctly Delphi with an **electric blue** fuel pump top, module top cover and strainer material

SUPERIOR® Power Steering by **BBB** INDUSTRIES®

Steering Pumps

Components are inspected and cleaned of rust and corrosion. Seals and O-rings are replaced with new, OE-equivalent parts. Assembled units are 100% tested for leaks and performance.

Rack & Pinion

Housings are bead-blasted to eliminate rust and corrosion. Seals and boots are replaced with OE-equivalent parts. Assembled units are 100% functionally tested for leaks and steering performance.

HITACHI Engine Management

All Hitachi MAF Sensors and Ignition Coils are created with High Quality Components for Enhanced Durability

MASS AIR FLOW SENSORS

- ✓ Precise machinery – Provides for superior durability and minimal current fluctuation
- ✓ Gold plated connectors - Prevent corrosion

IGNITION COILS

- ✓ Calibrated for each application - Assists engine efficiency and fuel mileage
- ✓ 100% Air flow tested – Ensures ideal performance

Compressors & A/C Components

Air Conditioning Season is Upon Us!

Compressors – Pre-Filled with the correct amount of oil specified for the vehicle's system

Accumulator - Equipped with a protective case, that includes mounts to protect the accumulator from the heat of the engine bay.

Blower Motor - Durability test provided on every new design to ensure OE fit, form, and function.

Expanded Inventory! New Lower Pricing!

Condensers

✓ **First-time drop-in fit, no-hassle installation**

✓ **All Condensers are 100% Tested for quality control**

IN STOCK AT ALL LOCATIONS!

State of the Art testing includes Vibration, Burst and Environmental. Each round of testing is key in creating a unit with greater product longevity because it puts the unit through real road conditions.

Fastest Growing Brake Line!

EVOLUTION PLUS
CERAMIC DISC BRAKE PADS WITH HARDWARE

- Dependable Performance – Positive mold technology delivers consistent wear and performance while the powder coated backing plate resist rust and corrosion

POWERSTOP EXTREME
SEVERE-DUTY TRUCK & TOW BRAKE PADS

- Dust-free Braking Performance – Verified through on-vehicle testing
- Bolt-On Ready – No modification needed to your vehicle

SUNSONG Power Steering & Brake Hoses

Excellence Under Pressure! Sunsong products not only **Exceed SAE Standards**, but ALL other standards required by more than **20 OEM Partners**

BRAKE HOSES

Double-Sided Silencer! Over 60% of Pressure Hoses use a silencer to control noise. Power Steering pumps create fluid pressure in pulses, resulting in fluid flow pressure ripples.

OEM HOSES

OEM FIT

POWER STEERING

Sunsong Power Steering offers **Clips** that are attached to body & help maintain separation of tubes, **Finned Cooler** to prevent overheating, and **Rubber Bumpers** to prevent vibration & abrasion

MYPLACE4PARTS

If you need to lookup & order parts quickly, you need MYPLACE4PARTS! MyPlace4Parts has been recognized by technicians as the easiest to use and most complete parts ordering e-commerce system available in the automotive aftermarket!

MyPlace4Parts users can find any part their distributor carries and order it-all in one convenient place. While other systems require searching for parts by the tedious and time-consuming year, make, model and engine method filters, MyPlace4Parts utilizes search capabilities that are powered by Google®. powered by Google Use intuitive shortcuts and key word searches for quick look-up and ordering. Spend less time clicking and more time fixing cars.

MP4P Features Include:

Easy-to-use search engine provides fast, consistent, reliable results, Mobile VIN Scanner, & Plate to VIN look up

Exclusive National Premium Brands

Brake Pads & Shoes, Rotors, Calipers, Brake Cleaners, Brake Fluid, Brake Wear and ABS Sensors

Perfect Stop products are precision engineered to match OE fit, form, and function to the specifications originally designed for the vehicle.

- Perfect Stop Rotors & Calipers have an Armor-Plate™ Anti-Corrosion Coating for improved corrosion resistance
- Perfect Stop Brake Pads have an Exact Spec multilayer shim, and 99% VIO for optimal braking performance
- Perfect Stop ABS & Brake Wear Sensors offer superior coverage

Complete Strut Assemblies, Chassis Parts, & Shocks

MacPherson Ride is the very best available in strut assemblies. The MacPherson Premium Chassis line features:

- Comprehensive steering, suspension and wide control arm assembly coverage for all popular makes and models
- Upgraded designs on all Chassis Parts
- Exceptional value and easier installation which delivers reliable performance!

Premium Beam Wiper Blades

Perfect View Premium Wiper Blades are created with precision-tensioned steel spring applies uniform pressure along the entire blade length Aerodynamic wind spoiler improves airflow, creates downforce and protects tension spring from snow and ice buildup Graphite-treated natural rubber wiping edge for reduced friction and noise.

- Wiping Edge - Graphite treated rubber to reduce friction & noise
