**SERVICE
IS THE
DIFFERENCE.**

**We
Get
It!**

Specializing in "Hard to Find" Import & Domestic Parts

SPARTA by **Delphi** **FUEL PUMPS**

Shield your vehicle with SPARTA!

- Sparta by Delphi is designed specifically for vehicles that are older and have higher mileage.
- Turn to the brand backed by the OE experts, who know fit and performance better than anyone.
- Each part undergoes testing to ensure a proper fit
- Instructional installation sheets included in every box!

Purchase Sparta Fuel Pumps through

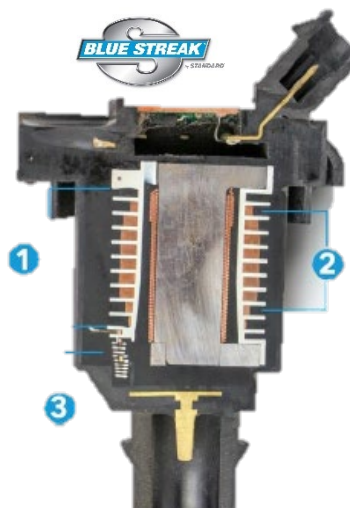

and be entered to win one of
25 Sony Bluetooth Speakers!

**ENGINE
MANAGEMENT**

Blue Streak Ignition Coils are Superior to the OE – the cutaway tells the story.

1. 10 primary winding sections, reducing the height of each decreases risk of breakage
2. Blue Streak barrel winding distribution precisely reduces the number of turns in the first two sections to reduce the voltage gradient
3. Blue Streak's "Black" epoxy system offers a 40% higher insulation resistance to voltage breakdown

OE-TURBO POWER™

The Only Solution for Turbochargers!

Turbos are installed in nearly 25% in new cars today. OE Turbo Power Turbochargers are made with stainless-steel housings and an improved design that make them more efficient and reliable!

Boosted Quality. Boosted Coverage.

- ✓ Designed to meet the durability, reliability and technology demands of complex engines.
- ✓ Every unit is completely disassembled, and all components are inspected for Quality Assurance.
- ✓ Compressor and turbine wheels are rigorously tested.
- ✓ Reliability throughout the service life of the turbocharger.

PERFECTSTOP™ ROTORS

PerfectStop Rotors are Engineered to match OE fit, form, and function to the specifications originally designed for the vehicle! Engineered for Smooth & Quiet Stopping!

**Gray Armor-Plate™
Anti-Corrosion Coating**

Gray Protective Coating applied to the hat, outside edge, and gap between plates.

Purchase PerfectStop Rotors through

be entered to win one of **50 YETI Mugs!**

PERFECTSTOP Brake Pads

Improved for "No Come Backs"

Perfect Stop™ comprehensive friction solutions with Exact Spec™ multilayer shim and hardware for 99% of vehicles in operation restores every vehicle to its optimal braking performance and ensures the quietest braking operation.

- ✓ Uses Aerospace Grade aluminum alloys to create a protective layer for up to 20% extended pad life
- ✓ Comprehensive friction solution with Exact Spec™ multilayer shim

PLUS! Brake Pads for ALL your Braking Needs!

YOUR TPMS Warehouse!

AUTEL & Schrader

Schrader is a World Leader in TPMS Sensor technology. Schrader offers direct-fit replacement TPMS sensors that are 1-for-1 replacements for the sensors installed on the vehicle at the assembly line.

Rubber Snap-In

Adjustable Angle Aluminum Clamp-In

Black Aluminum Clamp-In

Autel's patented press release valve design allows interchangeable rubber and metal valves to be easily replaced in the same sensor head by hand, with no valve fitting tool required. Simply click in and press out. Installing TPMS sensors has never been so easy.

Install the O2 Sensor Designed for your Vehicle!

Bosch invented the automotive oxygen sensor and leads the way in sensor technology and innovation. Bosch is known worldwide for quality and performance!

NTK is the world's largest supplier and manufacturer of O2 sensors. Precision manufactured to the highest quality and durability, NTK oxygen sensors cover all vehicles on the road today!

Denso's superior design maximizes engine performance while reducing fuel consumption and harmful emissions. Denso is committed to delivering the right part the first time!
