ENGINES & TRANSMISSIONS

Now Available from EAPW! ETE Remanufacturing products are now available on a convenient drop-ship basis, delivered directly to you! Choose from a wide selection of remanufactured engines, transmissions, transfer cases, and more—all backed by a **3-year unlimited mileage warranty**, dedicated customer support, and nationwide inventory for fast, reliable delivery.

UPCOMING TECHNICIAN TRAINING!

Advanced Electronics: Sensor Simulation and Circuit Electronics

Diagnose with confidence. Replace with certainty. Learn how solid-state circuits and semiconductors work, how to test electronic components, and how to simulate circuits to verify a diagnosis before replacing expensive parts. Go beyond the wiring diagram and gain the skills to confidently troubleshoot today's electronic systems. Bonus: Design a frequency generator to simulate digital frequency-based signals!

Taught by Dave Scaler!
